Perfect acoustics for uniting show room and working areas into one space

## Object

Becton Dickinson Rowa Germany,  
Frankfurt am Main, Germany

## Concept

VRAI interior architecture, Frankfurt am  
Main, Germany | Spielmanns Office  
House, Frankfurt am Main, Germany

## STARTING POINT

The interior designers were tasked with creating a showroom plus adjoining office space that reflect the company's innovative strength as well as its technical expertise.

## SOLUTION

Their curtain of choice was ALPHACOUSTIC. This sheer curtain fabric combines innovative strength and technical expertise while its clean elegance contributes to the pleasant ambience. Despite its clean and sheer properties, ALPHACOUSTIC boasts considerable sound absorption, making it the perfect choice for acoustic room design.
