COLOUR SCALE

Design no. 1803 Savak (140 cm/55") is available in 22 colours

Savak is one of Gabriel's classics, designed in the early 1960s. Savak has been used to upholster a number of Danish furniture classics, and together with the furniture, it has remained fashionable to the present time. Savak clearly reflects the history of Danish design while still fitting comfortably into the lifestyles of the future: a good solid item which ages with grace. Savak consists of four designs: a plain design, two regular striped designs, and the most typical with its irregular long stripes.
